

Renew your membership with the Barbershop Harmony Society through the Member Center

60 days before your membership due date you will receive an e-mail informing you it is time to renew. That e-mail will contain a form that will allow you to renew your membership without going into the member center online. If you want to renew online in the member center you can.

Renewal of membership can be accomplished in a few different ways:

- Pay online at members.barbershop.org (no fee).
- Send Credit/Debit Card payment info. By mail or by Fax (no fee).
- Provide Credit/Debit payment information by phone at 800.876.7464 (no fee).
- Coordinate payment with a friend, family member, fellow chapter member, quartet member or chapter secretary. You pay them, they pay on your behalf using any of the above methods (no fee).
- Send a check by mail (**\$10.00 fee**). Allow extra time for processing.
